30 August 1963

MEMORANDUM FOR: DD/S&T

SUBJECT : Meeting With General Carter on  
General Manager for Kelly Johnson

1. Col. Ledford, Messrs. Cunningham, Kiefer and the undersigned met with Gen. Carter on Friday, the 30th, to discuss the subject of providing a single U. S. point of contact with Kelly Johnson. This rather long and involved discussion evolved the fact that we were unable to arrive at a solution to this problem. Gen. Carter relieved us of the responsibility for any further action on this subject at the moment.

2. Because of its complexity, we will discuss this with you orally on your return.

EDWARD B. GILLER  
Assistant Deputy Director  
(Science & Technology)
